

Back to Youth Program

How does it work?

Any pre-approved youth organization whose coach or youth member enrolls a team or teams in any JunglePlex Youth Soccer League shall be entitled to a 5% return of any registration fee back to the Youth Organization.

How does my organization become 'Pre-approved'?

Contact the JunglePlex's Athletic Department:

Mike Pieroni, Director of Athletics - 508.830.1411, ext 10

Jason Tassinari - 508.830.1411, ext 14

How does my organization get the 5%?

- 1 organization receives pre-approval from Sports Dept at JunglePlex;
- 2 organization obtains an official pre-stamped Back To Youth Program Indoor Soccer Team Registration form;
- 3 Team registers with JunglePlex, and pays registration fee;
- 4 After all registrations for league are collected AND all fees are collected from all teams, JunglePlex determines how many Back to Youth Program participants there are for each Pre-Approved organization
- 5 JunglePlex forwards a check to each participating pre-approved organization equaling 5% of all registration fees collected by JunglePlex from each pre-approved organization's participants.

Example: JunglePlex has 60 Plymouth Youth Soccer Back to Youth indoor soccer registrations. Once all fees are collected by JunglePlex for those 60 teams, JunglePlex will forward a check back to PYSA in the sum of \$2,700. (60 x \$900 x 5%)
